**To the Hiring Manager of Kippap Learning Corporation,**

I am writing to express my interest in the hybrid software developer internship opportunity at Kippap Learning Corporation. As a 3<sup>rd</sup> year Computer Science student at the University of Santo Tomas, with a strong interest and skillset in artificial intelligence, data analysis, and developing real-world applications. I am excited about the chance to contribute to Kippap Learning Corporation's dynamic team and gain valuable learning experiences.

I am confident that my technical background in Java, SQL, Python, HTML5, CSS, software development, and web development processes, combined with strong problem-solving skills, a proactive mindset, and strong attention to detail, would make me a valuable asset to your internship program. Moreover, I am especially enthusiastic about learning from experienced professionals at Kippap Learning Corporation and again contribute to real-world projects.

Finally, I look forward to the opportunity to discuss how my background aligns with to Kippap Learning Corporation's goals and how I can contribute to the company.

**Sincerely,**

Kyan Charles So
